Official Diary

Thursday, 15 November 1951

Dr. Andrews called in regard to dissemination of the OCI Daily Digest. Told him that in cases where he and Mr. Douglass felt that this should be disseminated to do so without referring to me.

Employment Review Board meeting.

Meeting with Mr. Saunders about the status of various projects.

Meeting with [] about the OSI contribution to the Progress Report and also about the state of scientific intelligence in general.

[]

[]

Roy Tod, G-2, stopped in and said that he believed the next move in regard to Gen. Willoughby would have to come from the DCI.

Meeting with Col. Hansen in regard to a monthly letter to the Senior Representatives. He will give me a memorandum incorporating his ideas and I will bring this up next week with Mr. Dulles, [] and Mr. Douglass when we discuss intelligence publications for the Senior Representatives.
